'06 Chicago Auto Show Bimmers' Road Trip Feb. 11

Yes, its that time of year again to start thinking of spring and what better way to prepare for spring than to go to the 2006 Chicago Auto Show. We will be going on February 11, 2006. This will be a day trip so we will meet at a central location and bus down to Chicago. We will probably meet again at Capitol and Oakland around 7:00 AM stop for breakfast on the way down and return by 6:00 PM. The club will pay for the bus transportation. Tickets will be \$10.00 for adults, \$5.00 for those 62 yoa and older. , Children 7 to 12 yoa \$5.00. So here's all you need to do. E-mail me (Steve Werner) at u501dpd@yahoo.com or call me at 262-367-2413. The sooner I get an idea on size of the group the sooner I can get advanced tickets and arrange for the bus.

Second Annual Pig Roast

FROM THE PRESIDENT

by Jeff Joy

Karting Date Set for New Year's Eve

At long last, the karting event that was sooo well attended last spring is on! We have tentatively reserved a date at Chicago Indoor Racing in Barrington, Illinois (view them at www.chicagoindoorracing.com) for 9 a.m. on December 31, 2005. Our last event featured their combined track which produced laps in the 33-36 second range and, by popular demand, we will be using that one again (at a reduced rate — Thanks, Alyssa!).

The race involves a 50 minute enduro with at least four driver changes. You will have a number of exploratory laps to get to know the track. The facility provides helmets and head socks but no gloves (which I think you'll need). We also all attend a 20 minute safety session before the race.

Here's the nitty gritty: We'll need at least 10 teams of 2 people each to make the event happen. If you're a *Badger Bimmer* member, the cost is going to be reduced partially (by about \$20) by the Club. Cost is expected to be around \$125.

We also will have appetizers and refreshments after the race, complements of the Club as well. I will have trophies for various categories, but **NOT** one for the driver with the most penalties (that was me last time... *whoops!*).

Well, e-mail me if you would like to reserve your spot. We had a fantastic time last spring and the racing is great. The karts have enough speed to actually get you into trouble. These are not kiddie karts! You don't have to enter with a partner — I can match people up ahead of time.

So, start dieting (*awwww, no third helping of turkey*) and let me know ASAP!

I will accept \$100 deposits to reserve your seats *via* checks made out to "Badger Bimmers." Please send to the address below and confirm *via* email.

Second Annual Pig Roast — *Bimmers'* Hog Call for Second Harvest

The hog was gruntin' and he was heard loud and clear! *Badger Bimmers'* Second Annual Pig Roast went off without a hitch on a gorgeous, sunny day. Club members, Board members, future members, members emeritus, and enthusiasts alike all joined together on the second Saturday in September to give something back... and to have some fun, of course.

Our honored host, Mike Loos, once again set the stage at O'Reilly Motor Cars for this wonderful event. This year we raised more than \$1500.00 and several barrels of non-perishable food items for Second Harvest of Wisconsin to help fight hunger right here in our own community. A local shelter was also able to feed dozens of hungry citizens with the extra food from the pig roast.

Speaking of food, it was DELICIOUS! The catering at the pig roast leaves nothing to be desired. Pork shoulder and beef brisket in awarded-wining sauces, roasted potatoes, coleslaws, desserts, ice cold soda and bottled water. Oh yeah, and beer, too!

This year's featured artist was "Jammin' Jimmy." This guy

rocked! Jimmy set-up curbside with his drummer and bassist for a two-hour set of Blues. They participated with the audience and in the ongoings of the event, took requests and even mingled with us after their set. They were obviously happy to be there and we were happy to have them.

The menu and entertainment is unbeatable at *Badger Bimmer* events but it can't even compare to the company. The people at our events are what make them so great. You'd be hard pressed to find a club with bigger hearts and more welcoming arms. With that said, we hope more and more people will get involved, meet some new people and make some memories at our events.

None of the great times would be possible without people to make them happen. I'd like to thank everyone who invested their time and thought into organizing this event and every one who attended and made such generous donations. Thanks also go to Mr. Loos, who proves time and again his dedication to our club and to the community through his hospitality and charity.

See you next year!

bj

CANDIDATE FOR VICE PRESIDENT

Cindy M. Ansay

I'm Cindy Ansay and I am running for the position of Vice President of the *Badger Bimmer* Chapter for this upcoming election. Over the past two years, I have held a Board position with the Club. I have chaired many events ranging from the Spring and Fall car clean-ups to the Annual Car Show at International Auto. My most recent event was having our Club members' cars on display at the new Concours Motors showroom. I have also been involved in the check-in/registration process at both Blackhawk

and Road America driving events (as well as driving at a few of those events). This upcoming year, a large project for me will be the reconstruction and design of the BMW area at *Road America* (located after Turn 3). This is a Club project that I am very much looking forward to accomplishing.

There are several new ideas that I have already brought to this Club, but so many more endeavors to pursue for Club expansion, growth, involvement, and new activities. I look forward to the future... and being your new Vice President! *bj*

THE CANDIDATE

CANDIDATE FOR SECRETARY

Ryan Alexander

Dearest Bimmerphiles,

Hi! My name is Ryan Alexander, you may know me from my service at Little Car Shop over the last three years, or from my revelry at the annual holiday party,

or you may not know me at all. Regardless of your personal acquaintance with myself, I would humbly ask for you vote as Club secretary. I have a quick hand for notes, frightening perspicacity and a genuine interest in the business of the Club. Finally, if you were running, I would vote for you! So vote early, vote often, vote Ryan! *Blau Mit Weiss Uber Allis!* *bj*

CANDIDATES SPEAK...

CANDIDATE FOR BOARD MEMBER

Dave Thuerk

My name is Dave Thuerk (say Turk). My involvement with the Club started five years ago when my son bought a well-used 1990 325i.

As we both started upgrading the 325i for autocross, I became impressed with the design and driving capability of the E30 platform. Since I was a mechanical engineer and life long car guy, I developed an intense interest in BMWs and started researching to find the model that would fit my needs (my passion). After a very lengthy search, I stumbled across "the" car and bought the silver '98 M3 four door. Since then, I have enjoyed the thrills (totally inadequate description) of five track days with the club and a new direction in the wonderful world of cars.

I am interested in being an active member of the Board. I will bring this passion and work to create fun and interesting events for the membership. I have begun planning a sequence of vehicle theme nights. This will provide an opportunity for members to view other vehicles and socialize with members. I believe more of these events will be great fun for all members. I am asking for your vote to elect me to the Board and I hope I will see you at the Annual Holiday Party.

bj

CANDIDATE FOR BOARD MEMBER

Jerry David

My name is Jerry David and I'm a complete automobile enthusiast and gear head. I've owned classic cars for more than 20 years and have been involved with racing for 12 years. As an engineer, I always admired and appreciated the performance of BMWs. After a career change, I became a Certified Financial Planner with Northwestern Mutual Financial

CANDIDATE FOR BOARD MEMBER

Ryan Braithwaite

My involvement with the Club has grown considerably this year. In years past, I had enjoyed driving and social events as a participant. Now I find myself a volunteer and involved with many aspects of the Club and I want to continue to contribute as a member of the Board.

Having spent the past months at Board meetings and behind the scenes at events like Bimmer night at Pandl's, *OktoberFAST*, the Pig Roast at O'Reilly Motor Cars, and the Fall Clean-up at Aloha Automotive, I have a new sense of appreciation for the events that the Club organizes for its members.

I have loved BMWs since I was a child. I am kind of a fanatic, but in a good way. I wore an ex-PTG BMW driving suit for Halloween this year.

I recently acquired a 2003 M3 and find myself back in a BMW after having been without for almost two years. During that difficult period I considered myself a former and future owner. It is good to be back.

I wrote my first article for the *Immer* recently and hope to write more in the future. I am excited about the Club's potential to improve and expand its events and member participation and I would like to be a part of that process. I would appreciate your vote for Board Member.

bj

Network. I work with individuals and businesses to help them identify financial planning objectives and work with them to establish solutions. Those same skills I obtained through my career as a Certified Financial Planner would lend well to a leadership role within the *Badger Bimmers* organization.

I also believe that being a Board Member would be a great way to get further involved with the Club and get to know people who share the same passion that I do.

bj
