

# Badger Bimmers – Instructor Evaluation

Instructor's name \_\_\_\_\_ Student's name \_\_\_\_\_

Event Blackhawk Farms Date \_\_\_\_\_

**Student:** Please rate your instructor on the following categories. Use the following rating scale to indicate your impressions and response.

- 1 = Needs to improve (Please explain in the comment section below.)
- 2 = Satisfactory
- 3 = Very good
- 4 = Highly skilled

\_\_\_\_\_ **Communication** – Provides clear directions, addresses concerns, states expectations, answers questions, and thoroughly explains things in a helpful manner.

\_\_\_\_\_ **Safety** – Explains proper driving position, importance of vision, flags, what to do in emergency situations.

\_\_\_\_\_ **Terminology** – Uses proper terms: turn-in, apex, track out, squeeze/feather, under steer, over steer. Explains smoothness and transitions.

\_\_\_\_\_ **Track knowledge** – Explains proper line for all corners, knows dry and wet line, points out flag stations.

\_\_\_\_\_ **Vehicle Dynamics** – Explains what the car is doing and how to keep weight transfer transitions smooth. Explains the sequence of steps for vehicle control, spins, and off-track excursions.

\_\_\_\_\_ **Pace** – Gives important information in a timely fashion, in appropriate amounts. Does not give too much information at one time. Is not too quiet. That is, the instructor does not give too little information and is not too quiet.

\_\_\_\_\_ **Demeanor** – Explains calmly, maintains control, is patient, encouraging, inspires confidence, gives praise and suggests ways to improve.

\_\_\_\_\_ **Enhances your learning experience** – Sets goals for each session, rates accomplishments, and resets objectives.

**Your Comments** are most helpful in improving instruction at our event.
